

5-SEAT QUAD CAB

4.5T MAX BRAKED TOWING 5.7 LITRE V8 HEMI ENGINE 6'4" TUB

556NM MAX TORQUE 4x4 READY 291KW MAX POWER

Standing out for exceptional style and value the Express is designed and built with performance and functionality at its core. With a durable interior that will withstand the toughest conditions, combined with a massive 6'4" cargo tub, the Express is equipped with plenty of space to accommodate both work and play. No corners have been cut, no sacrifices made. Just one smart package that's been purpose-built with the flexibility to undertake any challenge. The RAM 1500 Express, will impress!

*Maximum braked towing capacity is subject to regulatory requirements and vehicle weight restrictions (which may require occupants and/or luggage to be restricted). # Payload and kerb weight figures are based on vehicle certification. It is the driver's responsibility to ensure: weight of fully loaded vehicles do not exceed GVM; front and rear axle load limits are not individually exceeded; the combined weight of the fully loaded vehicle (including tow ball download when towing) and trailer does not exceed the GCM; compliance to State and Territory towing regulations. Payload is the combined value of occupants, luggage, cargo, added options, accessories and tow ball download (when towing). Kerb weight includes the vehicle with a full tank of fuel and all standard equipment, excluding occupants. Additional weights of optional features, occupants, luggage, cargo, accessories and tow ball download (when towing) must be taken into account when calculating payload. ^Warranty terms, conditions and exclusions apply.
